Council Hears Plan To Get O. K. For Grade Crossing

Permit Would Mean New Outlet To Junipero Serra

Application for authority from the State Railroad Commission to construct a grade crossing over the Southern Pacific tracks on Hillcrest drive was brought before the city council, Monday, at the regular council meeting. The application was drawn up by Robert A. Klassen, city engineer.

The application, which, if accepted by the state authorities, will mean a new thoroughfare from Daly City into Junipero Serra boulevard, was signed by Mayor John J. Fahey sr. and Burt C. Ross, city clerk. The application has been submitted and it is now pending action from the State Railroad Commission.

Instructed by the council several weeks ago to draw up a blueprint of the project, Klassen's plan calls for the channelization of traffic flow between Daly City and the state highway.

A resolution was adopted by the city council at Monday's meeting which authorized the transfer of $8,078.77 from the special gasoline tax fund to the general fund. The amount was collected from the state highway department.

The council passed a motion accepting the resignation of Dale Hovey as a member of the Daly City Fire department, since Hovey has departed from the city to fill a civil service position in the Department of Interior of the Federal government.

Legion Auxiliary To Award Winners

Awards for the winners of the Americanism Essay Contest, sponsored by the Daly City Unit No. 410, American Legion auxiliary in the Jefferson Elementary School district, will be presented by the contest judges at special assemblies in Jefferson school and Woodrow Wilson school, Tuesday.

Judges for the contest who will make the presentations will be Mrs. Catherine Foreman, Mrs. Mary Crane, and Mrs. Kathleen Matzek, and the prizes will be defense savings stamps.

Divided into two groups the essay winners were as follows: Group 1—won by Billy Bernzott, Woodrow; second place, June Wilmoth, Jefferson; and third place, Joanne Cabitto, Woodrow. In Group 2, first prize was won by Peggy Hanley; second prize, Keith Klaussen; and third prize, Colleen Hyder. All three attend Woodrow.

Essay title for Group 1, which includes the lower grades, was "What Can I Do to Be a Better

Men 44-65 Years Old To Register

Following the President's proclamation of the fourth selective service registration period on Saturday, Sunday, and Monday, April 25, 26, and 27, the Daly City Draft Board No. 103 this week began preparations for registering men between the ages of 44 to 65.

Estimating that the local board will be required to register over three thousand men in the registration, Dr. J. C. McGovern, chairman of the board, is rushing plans to secure the facilities which were used in the last registration and the same registrars who volunteered in February in an effort to conduct the registration in Daly City, Colma, and in the other districts within board No. 103 without delay or confusion.

An attempt is being made to contact the volunteer registrars who served in February. An announcement will be made later regarding the location of the registration places, although it is possible that the same two places, the city hall in Daly City and the Colma firehouse, will be used, locally, for the registration.

"The Ticket" Wins

Light Turnout At Polls Tuesday

In one of the lightest votes in Daly City municipal election history, a bare 57 per cent of the nearly 5000 registered voters going to the polls, incumbent Councilmen men Paul G. Selmi and Julius Twesten were defeated by the Daly City Better Government ticket including A. J. Gaggero, Eugene V. Lynch and Hugh H. Smith jr.

Smith

Gaggero

The Better Government ticket took up an early lead in both the far north and south ends of the community and held strongly in the central sections. Final returns gave it a 3-2 victory. Smith polled the highest number of votes. Gaggero and Lynch followed him closely. Follows is a tabulation showing the order in which candidates came in:

Lynch

Candidate	Total Votes
Smith	1624
Gaggero	1459
Lynch	1367
Selmi	981
Sanders	898
Twesten	847

Wait A Minute! U. S. Needs That Tin

Wait, housekeepers! Before you toss that tomato can away, be it known that there is an urgent demand for that tin can now! Not only can that tin can be used but all the tin cans you have!

For the cry is "More metal for more battleships and guns in the Pacific!" and each tin can that is donated serves its part.

This is the cry of the Daly City Salvage committee, whose campaign for tin cans was launched in this community, Friday, when the committee was formed.

Soon after the committee was appointed by Mayor John J. Fahey sr., the three people went to work to supply plenty of tin from Daly City to the county-wide campaign which has been under way in the past few weeks. Mayor Fahey's committee consists of R. L. Crane jr. as chair-

Defense Council Changes Meeting Nights

Weekly meetings of the Civilian Defense Council in Daly City have been changed from Thursday evenings to Wednesday evenings, it was announced, this week by Arthur J. Bodien, chairman.

The council held its first meeting under the new plan in the city hall, last night, and the newly organized control center staged another practice to become more acquainted with the function of the control board.

Regular round-table discussions on the organization, progress, and possible improvements of the civilian defense unit is the order of business at these meetings, and Bodien calls for reports from all departments of the council.

In addition to the council meetings, practice drills in all branches of the various departments are held each week, including drills for auxiliary police officers, auxiliary firemen, demolition squads, first aid classes, and air raid wardens in all sectors.

Colma Returns Incumbents To Office

Election day in the town of Colma was a mere formality, Tuesday, as four unopposed candidates, all of whom were already holding offices in the city, were automatically elected.

The councilmen, Mathrup Jensen sr., and Fred Lane, were elected, while E. A. Weisenburger, city clerk, and Henry Kempf, city treasurer, will continue in their respective offices for another term. All four will serve full terms.

The four officials have all been active in the city government of Colma since it was incorporated as the town of Lawndale in 1924, having taken the name of Colma several months ago.

Four Here Get Tires, Tubes, Recaps

Among the twelve car owners who were rationed tires, tubes or recaps in the Northern district, San Mateo County Rationing Board No. 41-2, last week, four from Daly City and Colma were issued purchase permits.

The four local applicants were: Mervin J. Cresta, 155 Parkview avenue, agriculturalg inspector; Daly City Cab company; John A. Matzek, 423 Irvington street, county road foreman; and P. Cafferata, Colma farmer.

Headquarters of the district rationing board were moved, last week, from the South San Francisco city hall to the post office in that city. Local people who wish to apply for tires and tubes may do so by applying either at the South City post office or with Johnny Dell, 6347 Mission street.

Blood Bank Drive Raises Thousand

Topped by a $100 "investment" from the city, the San Mateo County Blood Bank campaign in Daly City came to a close, this week, with nearly $1000 collected according to Chairman Arthur H. Quirmbach.

"It isn't a donation to the county's Blood Bank," said Councilman Paul Selmi previous to Monday's council meeting when the city contribution was authorized, "but it is an investment for our own safety and that of our families."

Although the active house to house campaign has been closed, Quirmbach declared that contributions can still be made by mailing it either to the San Mateo County Blood Bank, Mills Memorial hospital, San Mateo, or to Quirmbach at Jefferson Union high school.

Commenting on the local drive, Quirmbach praised the enthusiasm of the collectors who canvassed the city for contributions, and he also lauded the local donors for their excellent support of the cause.

The chief task now for the County Blood Bank is to obtain about 30 pints of blood daily to build up a reservoir for use in transfusions, primarily for civilian use.

The blood will be processed for transfusion but if it is not used within ten days it will then be converted into liquid blood plasma which will be frozen and stored at or near the various casualty stations in the county. The casualty station in Daly City is located in the basement of Jefferson Union high school.

Thank God, This Is America

(Editorial)

Tuesday was election day. When the returns came in, opponents shook hands and extended greetings. Among the citizenry life went on as usual.

On Tuesday no one was shot, no one was threatened, no one was even told how to vote. Every citizen had an opportunity to express his opinion quietly and peacefully. The majority ruled, and the minority was heard.

Thank God, This is America!

Raymond Torres On Ruth Alexander

After four months of wartime adventure which included heavy attacks by Japanese bombers and the sinking of the Ruth Alexander, Raymond Torres, a crew member of the ill-fated American freighter, returned to his home at 257 Los Olivos street, Sunday, March 29.

First cook on the Ruth Alexander, Torres was among 28 survivors of the sinking who were picked up by a huge Dutch navy plane and transferred to a New York bound vessel to safety. Torres received several burns when Japanese bombs blasted the ship on December 31, near the Macassar straits two days out from Corregidor Island. The Daly City man is now recuperating from severe shock.

Three times the Japanese bomber circled the Ruth Alexander before it was finally blasted by the bombs. The first time the bomber approached the American ship, it circled the boat, seemingly taking measure. The Japanese opened fire on the second time but missed, and, on the third time, the Japanese bombs found their mark to sink the ship.

But that wasn't the extent of danger to Torres and the rest of the crew. Prior to the sinking on the Macassar straits, while the Ruth Alexander was anchored in Manila Bay, it was under steady fire of Japanese bombers for eighteen days. After escaping to Corregidor, the 8,150-ton vessel was the target of more bombing planes. Louis Jara, second cook

Occupational Forms Ready For Mailing

With forms of the occupational questionnaires in the Daly City Draft Board office ready for mailing, local men who registered in the February election will receive those questionnaires before they will be required to fill out the regular selective service forms, according to Dr. J. C. McGovern, local draft board chairman.

The occupational questionnaire, designed to obtain an inventory of the present employment activities, will require the registrant to give a full description of the kind of work he has been doing, and to list fully his capabilities and aptitudes. The questionnaire will later be sent to the registrants who signed in the first two registrations.

Dr. McGovern emphasized that the occupational questionnaires are not to be confused with the regular selective service questionnaires.

District Schools To Conduct Sugar Rationing

Crane Announces May 4-5-6-7 As Dates For Job

The Jefferson Elementary School district faces one of the largest undertakings ever attempted as R. L. Crane jr., district superintendent of schools, prepares for the sugar rationing registration of every man, woman, and child in this community as directed by the Office of Price Administration.

A four day period, May 4, 5, 6, and 7 has been set aside for the registration of Daly City householders. The registration will be held at the three schools in the district, and Crane stated that the schools will be closed during the four day period. Hours for the registration will be announced later.

There are 43 elementary school teachers prepared to register adults representing family units who will apply for war ration books for each member of the family including themselves. Crane estimated a total of 12,500 people in Daly City would be registered by the schools.

Following the registration, a war ration book will be issued to every man, woman and child of the community, except service men and inmates of hospitals and institutions.

War Ration Book One will contain twenty-eight stamps, and the first few stamps will entitle the book owner to purchase one pound of sugar per stamp to cover a two week period.

Not only will applicants be required to give the name and personal description of each member of the family, but they will be required to tell how much sugar, both white and brown, is on hand in the household. Crane issued a sharp warning that it is a criminal offense to make a false statement on this registration, especially regarding the amount of sugar. This offense will be penalized fully, with a fine of $10,000, ten years imprisonment, or both.

Colma To Study Fire Protection Tonight

Civil defense fire protection and fighting incendiary bombs will be demonstrated to the civilian defense organization in the town of Colma, tonight, at the town hall. The meeting is scheduled to begin at 7 p. m. A lecture will be included.

Arthur H. Quirmbach, local member of the San Mateo County Defense Council, arranged for the meeting of the Civilian Defense Council in Colma incorporated. Bert Werder, county fire warden, will instruct the group in the fire preveniton course.

To Require Tags For All Children

Identification tags for every child in San Mateo county, from infants to 18-year-olds will soon be required, according to Arthur H. Quirmbach, Daly City representative on the San Mateo County Defense council.

Every child will be required to wear the tags at all times, and every child will registed, giving complete information, before the tag is issued.

Serving on the committee for the registration and distribution of the tags, Quirmbach's appointment was motivated by his relationship with education in the county as a member of the Jefferson Union high school faculty. Pansy Jewett Abbott, county superintendent of schools, is on the committee with Quirmbach, and the county Parent-Teachers' association will supervise the registration of the children of school and pre-school age.

Describing the duties of the committee, Quirmbach stated that the committee would prepare for the registration and decide on what information would be required on each child's questionnaire. No date has been set yet for registration.

Report 139 Tax Days

A total of 139 tax days are listed for the tax-payers of California in the 1942 tax calendar just issued by the California Manufacturers association. This figure compares with fourteen tax days in the peak business year of 1929.

While the Federal Government names only 35 days in its all-out program to win the war, the State of California lists 93 days on which some tax is due in getting money for its operations. The cities and counties list an additional nine days for their tax purposes.

MEN OF WAR

General Electric men and women—thousands of them! Four typical scenes show the spirit with which they are tackling the grim job of producing for war!

1. Thousands of employees, only ten days after war declaration, gathered in mass meetings in most major G-E plants to pledge all-out war effort!

2. Almost 85 per cent of all General Electric employees signed up to buy U. S. Defense Savings Bonds totalling more than $20,000,000 a year!

3. A sign chalked by a G-E workman on a big machine being built for war. The sign carried this challenge to fellow workers: "Remember Wake Island!"

4. And day and night—around the clock—G-E workmen keep steadily at the most important job of building weapons and supplies for U.S. fighting men!

Pound of Feathers

There is considerable difference in weight between a pound of gold and a pound of feathers. Gold is weighed by the troy system, in which there are 12 ounces to the pound, while feathers are weighed by the avoirdupois measure, in which there are 16 ounces to the pound. A troy pound, therefore, is less than the avoirdupois pound.

laudette Colbert tars In Drama

Preserving all the charm and tistic integrity of the stage pro- iction, 20th Century-Fox h a s ken the Broadway hit, "Re- ember the Day," and translated into the stirring, dramatic film nich opens tonight at the Daly ty theatre.

The picture is a personal tri- mph for lovely Claudette Col- rt, who proves once again that e is tops as a dramatic actress.

Spanning some of the most ex- ting years of our times, t h e ory shows Claudette as the in- iration of two men; one des- ned to be called to the service defend his ideals—the other to become a Presidential nominee. To divulge the fascinating details of "Remember the Day" would be to spoil its entertainment value.

John Payne has the romantic lead, and he comes through with a sincere and moving performance in the role of the young lieutenant, Dan Hopkins.

A carefully chosen supporting cast contributes a flawless performance. Included in the cast are John Shepperd, Ann Todd, Douglas Croft, Jane Seymour, Anne Revere and Frieda Inescort.

Director Henry King captured the spirit of this great story from the screen play by Tess Slesinger, Frank Davis and Allan Scott, which was based on the original play by Philo Higley and Philip Dunning.

Jus' A Li'l Case Of Mistaken Identity

When William T. Kramer, San Francisco, slightly miscalculated directions early Sunday morning, Daly City was mistaken for Honolulu.

It was about 2:15 a. m. when the Daly City Police department answered a telephone call from the Dean Wood home at 39 Mission circle. Mrs. Wood told the police that there was a prowler in the basement of their home.

Officers Henry Sundermann jr. and Joseph Kusber responded to the call, and found Kramer sitting in the Wood family's automobile in the basement garage. On being questioned, Kramer explained to the officers that he thought he was still in Honolulu, and, since that city is now under martial law, Kramer didn't want to be caught on the street.

Consequently, he ducked into the Woods' basement only to be nabbed by police officers anyway. Kramer told police officers that he had returned from Honolulu a short time ago. He was sent home in a taxicab after the questioning.

License Drive

In an effort to lock the barn before the horse is stolen, Michigan plans to stiffen driver's license requirements under a program worked out by state authorities in co-operation with safety and law enforcement agencies. More difficult tests will be given applicants for licenses under the new plan and a series of institutes will be held throughout the state to instruct license examiners in conducting the tests.

Want to save money on fuel bills?

Want to help Uncle Sam save natural gas for war industries?

Want to have your furnace do a better heating job?

You can do all these things in one operation by calling Daly City Sheet Metal. Since Federal regulations prevent installation of new complete home heating units for the duration, Frank Neumann, proprietor of Daly City Sheet Metal Company is specializing in a service that will increase the efficiency of your present heating system. If you have a wood and coal furnace without a cold air return, Daly City Sheet Metal can increase the heating efficiency of your furnace 30 per cent by installing a cold air return. They also repair all types of furnaces.

Mr. Neumann recommends that you don't put off your heating problems until the seasonal furnace repair peak next fall—but do it now while men and materials are available.

SPORTS DAY

Sports Day was quite successful despite the fact that several sports had to be changed because of the weather, according to Miss Juanita Young, physical education instructor. The sports events were held Saturday morning at the Jefferson gym.

Three high schools, besides the local one, participated. Over 250 girls were present from Sequoia, Burlingame, South San Francisco and Jefferson high schools. This was the San Mateo County annual Sports Day.

Softball, tennis and archery were changed to other sports which could be held indoors. Other games were volleyball and swimming, and basketball.

Edith Fasshauer, GPAL manager, organized the day. Refreshments were served at the close of the sports.

BASKETBALL

Finals for interclass basketball were run off, Friday afternoon.

The two winning teams competing for class championship were sophomores and juniors.

The sophomores came out the victors with a 46-22 score. They are now the class champions for the term.

VOLLEYBALL

Practice for volleyball will begin Monday, April 20. Inter-club first games will be held Monday, April 27, and every Monday, Wednesday and Friday until May 18.

Music

COLOR DANCE

Members of the Indians of Rhythm "made music" for the Color Week dance, Thursday. The affair was held to climax the semi-annual Color Week. Admission to the dance was school colors, as part of the school costume.

ORCHESTRA

A small ensemble group of instrumentalists furnished music for the Bayshore P. T. A. at the Bayshore elementary school, last Friday.

Those participating included: George Percival, Genevieve Thomas, Mary Rossoff, Gene Snow, John Mosman, violins; Angelo Ditty, clarinet; and Ernest Anderson, trombone.

SPRING CONCERT

Oscar Busch, musical instructor, announces that practice has begun on a Spring concert to be held the latter part of May. A small charge will be made, to help defray the expenses of the band's new capes.

Classes

DANCE

Over three hundred Jeff students and friends enjoyed the patriotic swing, Friday evening, in the school auditorium. Frank Feno, chairman of the entertainment, announces it was one of the most popular dances ever scheduled at the high school.

Admission to the swing was the purchase of one defense stamp.

Music was furnished by Howard Miguel and his Indians of Rhythm.

NATURALIST SOCIETY

A visit to Sonoma and Marin counties was another of the many exciting excursions taken by members of the Naturalist Society. The trip was taken, Thursday, during the Easter vacation.

Specimens were collected on the trip, some of which were added to the members' various collections and others turned over to the Biology room.

Those attending included: Louise Bociocco, Carol Bryant, Helen Dunn, Alice Forest, Clayton and Jerry Kollmann, Dorothy and Donald Nelson, Andrew Parodi, Marjorie Schreiber and Joyce Yates.

ELECT OFFICERS

New officers were elected by the members of the newly organized Tennis club, last Monday.

Those chosen to head the group were: Walter Lehigh, president; John Mosman, vice-president; Betty Inks, secretary; and Jerry Kollmann, treasurer.

Sponsors of the group are two popular faculty members, Miss Martha Springer and Walter Griffith.

SENIORS

Kids' Day has been scheduled for Wednesday, May 20, and the Senior jinx will be held the following week, Friday, May 29.

Roy DeVincenzi, chairman of the Jinx group, announces that a number of seniors have signed up for the entertainment and that the theme will be held a deep secret until the fatal day.

LETTER OF THANKS

James Ferguson, principal, received two very nice "thank you notes" last week. One was received from Herbert Gibsen, secretary of San Mateo Lodge No. 1112, B. P. O. E., thanking him for letting Boy Scout Troop No. 142 use the high school swimming pool.

Carl L. Hoag, chairman of San Mateo County Blood Bank, wrote a letter thanking the students, teachers and employees for their fine contribution to the blood bank.

EXECUTIVE BOARD

At a recent meeting of the executive board, it was announced that the senior benches had been installed in the main hall, temporarily. It was decided upon by the senior committee not to spend the money to fix the benches outside. Instead the group decided to buy a $500 defense bond.

WATER PAGEANT

Work is still progressing on Jefferson's annual water pageant, to be held during the latter part of May. Models for the event are practicing every Tuesday and Thursday afternoons. Those chosen to model include: Jo Bricker, Dolores Mardecich, Shirley Rice, Shirley Clark, Jean Castignetto, Carmel Robin, Jane Dutro, Betty Roots, Gloria Baldwin, and Aline Johnson.

The pageant will be called "Hawaiian Paradise." Musical numbers will be featured by Howard Miguel and his Indians of Rhythm.

The public was again reminded that admission will be by reservation only. No standing room will be available. There will be two evening performances and one afternoon performance.

ASSEMBLIES

A week of entertainment has been planned by Roy DeVincenzi, student body president.

Pierce Knox, blind xylophonist, entertained the students at a pay assembly, Monday.

R. Simcock was the speaker enjoyed by the student body Tuesday. He spoke on the general topic "The Farmer and Defense."

He outlined the plan for employment of high school students during the summer vacations.

Veneto Beats Bear Photo Team 16-7

While the Veneto Restaurant baseballers were playing errorless ball in the field and annexing 17 hits at bat, Sunday, at Marchbank field, it was smooth sailing for Flora, Veneto pitcher, as he held the Bear Photo team to six hits to win 16 to 7.

Although the game was called in the seventh inning because of the extremely cold weather, the Venetos showed the fans enough baseball for a nine-inning game as they pounded around the base paths to pile up the comfortable lead. The Bears opened the scoring in the game in the first inning when a base on balls and two hits brought in two runs. The Venetos failed to score in their half of the initial inning, but they scored one in the second, two in the third, and one in the fourth to move into the lead.

A seven-run onslaught in the sixth inning and five more in the seventh cinched the game for the Veneto nine. Griggs, center fielder, showed most of the Veneto hitting power, with four hits in five times at bat.

The game was sponsored by the Daly City WPA Recreation department.

Meanwhile, Sunday, in a game at Jackson park, Charlie Norry's Farallone Packers took a 2 to 1 decision from the Lufe Jewelers. The packers will resume their home schedule at Marchbank field, Sunday, April 19, at 11 a. m.

Rain Upsets Sports Schedule

Athletes of Jefferson high school will try again tomorrow if weather permits, it was announced by Track Coach Milt Axt and Baseball Coach Albert Biggs, yesterday.

A steady downpour of rain, a wet track at Jefferson field, and a wet baseball diamond at South San Francisco played havoc with Jefferson high's spring sports, last week, when two track meets and a baseball game were postponed.

Friday afternoon was the biggest disappointment for Indian athletes when a quadrangular track meet with Mission, Balboa, and Lincoln high schools to be staged at Jefferson field was called off. The other meet was a dual meet with Mission on Thursday.

In addition, Jefferson's baseball game with the South San Francisco Warriors was postponed after school officials in South City pronounced the diamond too wet for baseball.

Coach Axt's tracksters will vie with St. Ignatius and Washington high schools tomorrow in a triangular meet on the St. Ignatius field. Coach Biggs' baseballers will see action at Jefferson field tomorrow in a P. A. L. league game with Palo Alto high school. The South City game is now scheduled for Tuesday on the Warrior diamond.

101 Boys Beat Holy Name Team

At a baseball game played, Sunday morning, on the Jefferson Union high school diamond the boys of Boy Scout Troop and Explorers No. 101 took the men of the Holy Name Society for a run. The boys came out the victors with a 20-4 score.

Bob Rode of the troop got four hits out of six times at bat, including a home run. Bob Rogers made four hits out of five times at bat.

Frank Coughlin, scout leader, pitched the whole game, due to the players playing air tight ball.

Playing for the scouts were: Bob Rode, Wally Coughlin, Frank Coughlin, Jim Coughlin, Manuel Huerta, Bob Rogers, Gene Klingler, Don Winters, Joe Collins and Eddie Denning.

The scouts and explorers have planned a weekend outing for Saturday and Sunday, April 25 and 26, at City Camp. The outing will be a practice for the Camporee which will be held in San Francisco, May 2 and 3, for all San Francisco and Bay area scouts.

New High in Ship Production

LIBERTY SHIPS BEING FITTED OUT AT A BETHLEHEM YARD PREPARATORY TO SEA SERVICE. THE YARD IS PRODUCING A CONTINUOUS STREAM OF VESSELS OF THIS TYPE.

Bethlehem ship production this year will represent the greatest all-round shipbuilding output by any company in the history of the country.

Speed, speed and more speed is the constant objective; and always speed with quality, for a jerry-built ship is virtually useless in the grim tasks of maritime war.

The first Liberty ship which recently discharged supplies at a Red Sea port was built in a yard that was virtually non-existent a year ago. A tanker was delivered in 100 days from laying of keel. A battleship will be delivered 14 months ahead of schedule.

Cargo ships are being built in less than one-half the time required in the first World War. Comparable speeding up has been achieved on other types of ships and the schedule is being constantly stepped-up.

Expanding old yards, building new ones, tripling employment in a year's time, training thousands of new men, putting every effective facility to use, adopting pre-assembly and mass production methods—all these spell tonnage and more tonnage, a steadily-mounting output of ships from Bethlehem yards.

All hands are doing their utmost for Victory, working to achieve the maximum for the U. S. Navy and the U. S. Maritime Commission, so that the "bridge of ships" shall be maintained and steadily enlarged.

ADVERTISING IN WARTIME

"Advertising in the West in 1942 has a bigger job to do than it ever had before. We must help America win the war, preserve free competitive enterprise, and help American business with sound advertising and planning." On that keynote, voiced by Don Belding, its president, the Pacific Advertising association closed its mid-winter conference.

There is, as that statement indicates, a curious affinity between the civic responsibilities of newspaper editor and advertiser—for advertising, too, is news; it molds public thinking. Advertising in Britain plays a vital role today—a role paralleled in America.

To help conserve essential war materials by advertising substitutes; to keep valuable brand names alive; to minimize shortage scares and hoarding by truth in all advertising news, and, in Mr. Belding's words, "to keep America informed that the Pacific area is a greater and more potential market for trade than ever before—and to play our part in planning a sound post-war economy."

Such a program of advertising in wartime may be a strong sword in the death struggle for freedom and individual dignity against totalitarianism and world slavery.

HOW TO FIGHT FIRE

Everyone should be aware of the immediate necessity for reducing fire waste, as a direct contribution to the war effort. Fire, which is the destroyer of time, labor and essential materials, is the enemy of national production.

Furthermore, everyone should ask himself this question: "What can I do to help in the war against fire?"

That is not hard to answer. Start at home.

Finally, join a local civilian defense group and participate in the volunteer organized effort to prevent and control fire.

Doing this will help you—and help your country. The fight against fire is your fight

Reading & Writing

By Edwin Seaver and Robin McKown

Every year the American Booksellers Association gives an award to what might be called the best "forgotten novel" of the year,—the book which, in their opinion, is most worthy of added recognition. Honors this year go to George Sessions Perry's "Hold Autumn in Your Hand," the story of a Texas farmer named Sam Tucker and his efforts to wrest a living from the soil.

Sam is a person you are sure to like. He knows how to laugh at misfortunes caused by "acts of God," and how to get mad at those caused by man's inhumanity to man. Sam's ingenuity in finding ways to provide for his family when times were bad is remarkable.

For the Tucker family—which consists of Sam, his wife, his two children and his aged grandmother—is fantastically poor. They are so poor that when Mrs. Tucker's frying pan gets a hole in it, she must go on using it, tipping it slightly so that the grease won't spill. Like many others, the Tuckers live on meal and molasses throughout the winter, a diet which brings in its wake pellagra and death. It is Sam's proudest moment when he manages to get hold of a supply of fruit jars, so that they can put up garden vegetables for winter use—and thus insure the health of his children.

Sam's grandmother is another remarkable character in this novel, a terror if there ever was one. The story is told of her that her first husband was the only one who was ever able to get the better of her in an argument. The way he did it was to seize the four corners of the table cloth and throw everything out of the window—dishes and all.

The Book-of-the-Month Club announces a "dual selection" for April. In addition to John Steinbeck's new novel, "The Moon Is Down," the Club has chosen "Cross Creek" by Marjorie Kinnan Rawlings, which deals with the author's life in the Florida back country and with the actual people who appear as characters in her novels. Steinbeck's novel tells of the indomitable spirit of the inhabitants of a village under the heel of the Nazi invaders.

Groucho Marx's new book on income tax, "Many Happy Returns," is a sure panacea for those March 15th doldrums. This book tells you everything you want to know about your income tax except how to find the way to pay it. For instance, Groucho answers such weighty questions as this: Can a man traveling through the Florida swamps, followed by a pack of bloodhounds and a posse, list his expenses as as business traveling item? Mr. Marx admits he has written a valuable book, but suggests you can make it more valuable by tearing out the pages and replacing them with U. S. Defense Bonds.

William L. Shirer, whose "Berlin Diary" has been high on the best seller list for the past seven months, says that his experience with that book has made him skeptical of good advice. His best friends warned him not to publish it in diary form. What was wanted, they said, was a scholarly research book about Germany. Fortunately, he didn't have time to do this. When he insisted on the diary, these same friends made him take out the personal parts. He did so, but at the intervention of the judges of the Book-of-the-Month Club, who had read the uncut version, he put them back in. Moral: if you want to write a successful book, don't show it to your friends.

Checkup on Lighting

Because shorter days mean that most workers have to drive home after sunset, motorists are urged to give special attention to the efficiency of their lighting equipment. Headlights should be checked to comply with the law and tail lights should be inspected to see that they are in working order and are bright enough to be visible at a distance of 500 feet. Motorists should also remember that they are now required by law to use the lower headlight beams when coming within 500 feet of an approaching car.

State, not Federal

Contrary to the general belief the states in the union pass the laws about the U. S. flag, and not the federal government. It is against a state law to abuse, or desecrate the flag of the United States, but it is not against the law, except in Massachusetts, to abuse the flag of a foreign nation.

American," while in Group 2, the higher grades, the subject was "Characteristics of a Good American."

Billy Bernzott, winner of Group 1, in his essay, described the need for more planes, tanks, and guns in safeguarding the democracy of America, and showed how we can do our part by buying defense stamps. To be a good American, he further advised us to learn to follow the orders of wiser heads and refrain from acting arbitrarily on our own impulses.

"I will serve in silence and do my part to keep 'Old Glory' waving high and bright—the symbol of freedom over America— the country I love," Bernzott concluded.

In her essay on the "Characteristics of a Good American," Peggy Hanley, Group 2 winner, gave a description of the leaders in American history, showing how they have set a standard for the democracy and freedom of the world.

"The character of a good American begins early in life in the home, the church, and the school," wrote Miss Hanley, "and the schools especially help in building cooperation, fairness, respect for rules, care of property and personal responsibilities."

She added that a person does not have to be an American born citizen to be a good American, stating that there many naturalized citizens who are just as good Americans.

In concluding her essay, Miss Hanley described the true representation of the colors in the flag:

"To uphold the government and the flag is another way of showing good character in an American. We should try to follow the true meaning of our flag's colors—red for justice, white for truth, and blue for courage."

TO CHECK "COVER STRIPS"

Periodic traffic blockades at which serial numbers of "cover strip" automobile license plates will be checked with the serial numbers on registration cards shortly will be instituted by the California Highway Patrol in San Mateo county.

James M. Carter, Director of Motor Vehicles, announced today he had given these instructions to highway patrolmen throughout California to prevent theft of cover strip plates adopted for 1942 to save steel. Carter said drivers will be held in all cases where the serial numbers on the strip plates do not correspond with the number on the registration card.

SENTRIES PATROL PACIFIC COAST

ALONG the pebbled and sandy beaches of British Columbia, where thousands of Americans have enjoyed vacations, the Canadian army now maintains a ceaseless patrol. Thousands of men, with their faces turned westward keep vigil from sentry posts, while up and down the beaches, Bren Gun carriers rumble on patrol, night and day. Under Canada's system of voluntary enlistment for service anywhere in the world, every two minutes of every day since the outbreak of war, a man has volunteered and has been accepted for service in Canada's Navy, Army or Air Force. Such enlistments now exceed 400,000. This number is supplemented by the men called up under Canada's draft system for national defense. After these men are given four months' training, they are detailed for duty with the army in Canada until the end of the war. Any draftee has the right at any time to volunteer for service outside of Canada and thousands have taken advantage of this privilege.

Wait A Minute! U. S. Needs That Tin

man, Mrs. Ethyl Dorn, and Frank Coughlin.

After communicating with Theodore O. Lilienthal, chairman of the San Mateo county campaign, Crane arranged for the city truck to be used in collecting the tin cans. Cans are to be brought to the schools in the Jefferson district by school children on a specified day, and the city truck will transfer the tin to the county. Crane said that a day will be set later for the collection of those tin cans which cannot be turned in by school children.

Meanwhile, let's start collecting! Here is the way to do it:

1. Set aside your tin cans.
2. Cut around the edge of the top and bottom of the can, leaving a small portion attached.
3. Remove the paper wrapper and wash the inside of the can with hot water.
4. Bend the two loose ends into the can.
5. Flatten the can.

When you have collected a supply of tin by this method it can be collected by the Salvage committee, and it will mean more bullets, more battleships, and more guns for Uncle Sam.

crack down on sugar hoarders, the rationing board will tear from the war ration book one stamp for each pound per person over the normal supply of two pounds. Stamps will be torn from the book up to ten pounds.

Sugar hoarders may sell their excess amounts of sugar back to their local grocers or to their neighbors and friends.

was the only fatality in the ship sinking.

On arriving in New York, Torres entrained for San Francisco with other members whose homes are in the Bay area.

Torres lives here with his wife, Amada Torres, and a son, Frank Torres. He has two other sons, Raymond Torres jr., who lives in Sacramento, and Angelo "Babe" Torres, now serving in the United States Army.

In honor of his return, a dinner party was held, recently, for Torres at the home of Mr. and Mrs. A. J. Silvanes, 1056 Huron street.

Going places together

From one swiftly completed task to another goes the telephone man. He is aided by an organization of more than 39,000 men and women. A fleet of 3700 trucks and cars help him to do the biggest job he has ever tackled.

Last year, in the territory in which this Company operates, he put in, took out and moved 1,162,592 telephones, strung 29,315 miles of telephone wire, installed 1,055,943 miles of wire in cable.

Telephone men and women are on the PRODUCTION LINE and on the FRONT LINE. The Nation depends upon them. They will do their level best. YOU MAY COUNT ON THEM.

Getting Service that

Conserves Your Car?

Come in for service by Authorized Factory-trained Mechanics who know how to make cars last longer

THERE'S a big difference between *servicing* a car and *conserving* it.

The first simply takes care of needed matters — the second attends to them in a way that *prolongs car-life.*

For example—now's the time to change to spring and summer oil and lubricants. But if you want longest car-life, it's also the time to check up on motor efficiency, gas mileage, wheel alignment, clutch and brake condition, battery condition and general tightness.

Buick Spring Servicing includes many of those things — then goes farther.

Every car brought to a Buick dealer for regular seasonal service also gets a complete check-up by a factory-trained mechanic ABSOLUTELY WITHOUT COST.

This check-up helps Conserve Your Car by showing its exact condition, and uncovering any special attention it may need in the near future.

Why not get Spring Servicing that includes this EXTRA safeguard of long life *at no extra charge?*

Every Single Time You Buy
WE *Guarantee* YOU A TENDER, FINE-FLAVORED LEG O' LAMB

It took several years to work out Safeway's different meat service. And to test whether it could give you perfect meats always, rather than just sometimes.

What is Safeway's plan? First of all, improved meat selection. Safeway's own full-time meat experts pick out the "better-eating" grades of lamb, beef, pork . . . select each side of meat with extra care for its tenderness, juiciness and flavor.

Then improved handling. Safeway protects these meats against temperature change, cuts them with more critical eye to good eating on your table.

And last, but not least, Safeway has set up a way to control deliveries. Regularly each Safeway market receives just the amounts and cuts of meat to sell right away.

Mothers Club Elects New Officers

Mrs. Mary Musante was elected president of the Mothers Club of Our Lady of Perpetual Help school, at the group's meeting, last Thursday. Other officers elected to assist Mrs. Musante, for the coming semester, include: Mrs. Isabel Nassano, vice-president; Mrs. Nonie Morris, recording secretary; Mrs. Sophie Klingler, financial secretary; Mrs. Mary Boehm, secretary-treasurer; and Mrs. Elsie Thomson, auditor.

Ladies elected to serve on the board of directors were Mrs. Josephine Reardon, Mrs. Lucille Marriscolo, Mrs. Mary Hanley, Mrs. Grace Bacigalupi and Mrs. Ann Tallon.

Following election of officers a social was held. The ladies announce their installation will be held in June.

Special Events At Grace Nazarene

A series of mission sermons will be given, starting Monday, April 20, through Sunday, April 26, at Grace Church of the Nazarene, Vista Grande and Santa Barbara avenues, according to an announcement by the local pastor, Reverend N. M. Lewis.

Reverend G. F. Webb, Oakland, a pastor of Texas and California and a traveling evangelist, will be the special speaker of the week.

A meeting that will be especially interesting to boys and girls is scheduled for this evening at 7:45 p. m., according to Reverend Lewis. Reverend Carl J. Freezin, district superintendent of the boys' and girls' work in Northern California for the Church of the Nazarene, will be the honored guest.

Reverend Freezin will show moving pictures of the boys' and girls' camps of last year. Parents and friends are invited to attend this service and see what is being done for youngsters at Beulah Park, Santa Cruz.

Colma PTA Names Chairman For Whist

Mrs. Walter Worth has been chosen chairman of the regular monthly whist of Colma P. T. A. Mrs. Worth announces the game has been scheduled for Tuesday, April 21, 2 p. m. at Jefferson annex.

Assisting Mrs. Worth with the party arrangements will be Mrs. Marge Dunkel. The ladies announce a cash first prize will be given along with many other lovely awards. Following the card game, refreshments will be served.

Third Eyelid

Most birds have a third eyelid, known as the nictitating membrane, which serves to cover and clean the surface of the eye, reports the Better Vision institute. It also is well-developed in cats, cows and rabbits. In the human eye there is a vestigial bit of such membrane under the red glandular swelling in the corner of the eye.

McLaughlin-Thiebaut Wedding Held Easter

Miss Mary McLaughlin and Lewis Thiebaut III exchanged wedding vows at a beautiful ceremony, Easter Sunday, at Our Lady of Perpetual Help church. Father Doyle, Cloverdale, officiated.

The bride wore a lovely white satin gown with a long train. Her head was encircled by a crown of pearls. She carried a bouquet of gardenias. She was given away by her uncle, Albert Bruhns.

Attending her were her maid-of-honor, Miss Lorraine Arada, Alameda, and four bridesmaids, Miss Lois Gray, Miss Florence Bruhns, Miss Audrey Thiebaut and Miss Celestine Moglia. The maid-of-honor wore a gown of aquamarine color and a large picture hat; she carried a bouquet of pink roses.

The bridesmaids, gowned respectively in orchid, peach, blue and pink, wore large picture hats to match their dresses and carried bouquets of daffodils tied with satin ribbons.

Best man was Paul Thiebaut and ushers included Bob Thiebaut, Jack Feltman, Keith Baugh, and Bill McLaughlin.

Following the 5 p. m. ceremony, a reception was held at Corinthian hall for friends and relatives. More than three hundred attended.

The bride is the daughter of Mrs. Lottie McLaughlin, 180 Irvington street. She is a graduate of the local parochial school and of Notre Dame. The groom is the son of Mr. and Mrs. Lewis Thiebaut II.

The couple have taken an apartment in San Francisco.

Catholic Daughters To Hold Whist Tonight

Miss Christine Luebker, grand regent of Court St. Mary No. 1155, C. D. A., and Mrs. A. Denning are the co-chairladies for this evening's whist game. They announce the public is cordially invited and that many lovely prizes have been procured for the event. Playing will begin at 8:30 p. m. at Masonic hall.

A short business meeting will proceed the game at 7:30 p. m.

Lions Invite Public To Benefit Whist

To replenish funds of the Daly City-Colma Lions club, which were used in a large donation to the San Mateo County Blood Bank, the Lions will stage a benefit whist at Eagles hall, Monday evening. The party is scheduled to begin at 8 p. m. The public is invited.

A cash door prize and cash first prize will be given, and there will be many other valuable awards.

Another recent patriotic gesture of the local Lions' organization was the purchase of a $100 defense bond.

Whist To Benefit Bethel No. 26

Plans for a benefit whist, to be held by the Mothers club of Bethel No. 26, Order of Job's Daughters, were well under way, according to a report from the chairman, Mrs. Florence Rowland, San Bruno.

Assisting Mrs. Rowland with the party arrangements will be Mrs. Edward Mooney and Mrs. Jack Morris, Daly City.

The affair has been scheduled for Thursday, May 7, 1:30 p. m. at Masonic hall. Cash prizes will be given along with numerous other awards.

The group announces the public is invited; refreshments will be served following the card playing.

Mark Kanter Weds In Los Angeles

Mark Kanter, a former resident of Daly City and a graduate of the local schools, claimed Miss Evelyn Pogorelsky, Los Angeles, as his bride, Saturday evening, March 28. The 8 p. m. ceremony was read at the International Sunshine Society hall, Los Angeles. Rabbi Harrison of Hillel house, University of Southern California, officiated.

The bride was gowned in a lovely white moire princess frock made with a long train. Her veil was fingertip length and her shower bouquet was made of gardenias, roses and an orchid.

Brides' attendants at the service, witnessed by approximately 120 guests, were bridesmaid, Miss Dorothy Kanter, sister of the bridegroom, and matron of honor, Mrs. J. Lipou, cousin of the bride.

Upon their return from a week's honeymoon, spent at Santa Barbara, Easter week, the couple took up residence in Berkeley.

The bridegroom's family are pioneers of this community, where his grandparents, Mrs. J. Pearlman and the late J. Pearlman, lived since the beginning of Daly City. His mother, Mrs. Kanter, was also reared and educated in Daly City.

Those who went south for the ceremony included: Mr. and Mrs. Meyer Kanter, parents of the groom; and Mrs. Jane Pearlman, grandmother, Burlingame; Mr. and Mrs. Nate Pearlman, uncle and aunt, Daly City; Mr. and Mrs. Mark Pearlman, uncle and aunt and their son, Donald, San Jose.

YES, INDEED, your refrigerator has important work to carry on today. Food vital to your health and your family's health is to a large degree perishable food that must be kept under dependable refrigeration.

Your Government specifies that good health requires a daily diet of six essential foods. These foods are dairy products, eggs, fruits, vegetables and cereals. Five of these foods need constant refrigeration to prevent loss of vitamin content and to prevent spoilage and waste.

If you now have a refrigerator that automatically keeps temperatures below 40 degrees—the safe food conservation zone—be sure you keep that refrigerator in fighting trim. Handle that refrigerator with care. Keep it in good repair. You are helping win the war when you save food and protect health with adequate, modern refrigeration.

Above everything else in America today—the job is to win the war

WHAT GREYHOUND IS DOING: Greyhound is furnishing transportation for the armed forces and for war workers to and from plants. ★ Greyhound is continuing to serve civilian travelers, now more dependent on buses because of private car and tire restrictions. ★ This tremendous task constantly grows greater and is being done with the limited number of buses available under present conditions.

WHAT YOU CAN DO: You can help by traveling during the middle of the week—thus providing more seats for military personnel and war workers who must travel on weekends. ★ You can help by traveling in the middle of the day—those hours when workers are not en route to and from jobs. ★ Greyhound will continue to furnish the best service that war conditions will permit.

★ *But we must all remember—before personal convenience and pleasure—it is Victory First.*

Sew And Sews Fete Mrs. Caine

Twenty-four ladies of the Crocker Sew and Sew club, met at the home of Mrs. Pearl Caine, 479 Bellevue avenue, last Thursday. The event was a surprise stork shower for Mrs. Caine. A delicious buffet luncheon was served, and the afternoon was spent in sewing. Those who attended were Mesdames Ann Eason, Ilda Marquis, Julia Byrne, Nell Caine, Hazel Cassasa, Virginia Davidson, Emma D'Isep, Bertha D'Isep, Julia A. Drew, Julia V. Jordan, Orvilla Pauw, Mildred Seiler, Nora Clifton, Olga Bordsen, Ann Anderson, Ethel Dorn, Lillie Cavagnaro, Marie Gehrig, Pansy Montano, Vivian Pahlka, Eva Hobbs, Regina Long, Mrs. Nordgren, and Pearl Caine.

Next meeting of the Sew and Sew club will be held at the home of Mrs. Virginia Davidson, Friday, April 24, at 11 a. m. The address is 571 Hanover street. All members are invited to attend. This will also be the date of the executive board meeting which will convene after luncheon is served.

Mrs. Olga Bordson, president, represented Crocker P. T. A. at the District executive board meeting held in Burlingame, last Monday.

Sporty

A RESORT FAVORITE is this white claycord tennis dress worn by CBS actress Kathryn Keyes of the "Lux Radio Theatre." Its all round deep pleated skirt affords ultimate freedom and trimness, and the navy blue binding accents its styling. At the famous California desert resort Palm Springs many visitors prefer a model like this to shorts 'n shirt. (A Joseph Zukin original).

For Air Raids

A complete emergency medicine cabinet is the pride of this housewife. Bottles of tanic acid for burns, rubbing alcohol, iodine, spirits of ammonia, bicarbonate of soda, boric acid, collodion, aspirin, mineral oil, argyrol and peroxide made by the new duraglas technique to withstand heavy shock are essential. Bandages, triangular and roll, compresses, cotton, band aids and adhesive tape complete the list.

Penny Wise says...

"Sense + Cents = Total Defense"

STOCKINGS and socks pulled on and off by the toes wear longer than when tugged by their tops. Teach the "littlest one" to treat socks gently—

Careful handling of stockings will ease the strain on silk supplies and save you money to invest in DEFENSE SAVINGS STAMPS! War Needs Money!

Royal Neighbors Sewing Group Meet

Members of the sewing club of Vista Grande Camp No. 6035, Royal Neighbors of America, were entertained by Mrs. Clarise Scott, 54 Parkview avenue, Tuesday, April 7.

Present at the meeting were Mrs. Grace Coolish, Mrs. Johanna Hedval, Mrs. Anna Smith, Mrs. Mary Sernack, Mrs. Gertrude Gehringer, Mrs. Mabel Duffner, Mrs. Emilie Twesten, Mrs. Lucy Nelson, Mrs. Marie Thompson, Mrs. Ocie Ainsworth, Mrs. Lyla Therry, Mrs. Mattie Putman, Mrs. Cora Ray, Mrs. Esther Meritt, Mrs. Meritt, Mrs. Estelle Peterson, and the hostess, Mrs. Scott.

The publicity chairman reported that Mrs. Mattie Smith, a member of the sewing group, flew here from Portland, Oregon, last week, to be in Daly City for the current municipal election.

After the business meeting of the group, the hostess, assisted by Mrs. Thompson, served delicious refreshments. Next meeting will be held, Tuesday evening, April 28, at the home of Mrs. Ainsworth, 730 Templeton avenue.

Vista Grande camp will be hostess to the four other Bay area Royal Neighbors camps at a joint meeting, tomorrow evening, at Eagles hall. The session will start at 8:30 p. m.

Pudding For That Private

By Frances Lee Barton

PREPARE a pudding for that "rookie" of yours the next time he is on furlough — and see his countenance brighten. Or if your soldier boy is in a nearby fort, take some of this "de Luxe" pudding with you when next you visit him. But please don't limit this delicacy to privates. It will be enjoyed by everyone in the service—from Corporal to Colonel.

Orange Pudding de Luxe

1 package orange-flavored gelatin; 1½ cups hot water; 1 tablespoon sugar; ⅛ teaspoon salt; ¼ cup orange juice; 1 tablespoon lemon juice; ½ cup heavy cream.

Dissolve gelatin in hot water; add sugar, salt, orange juice, and lemon juice. Chill until cold and syrupy. Fold in cream, whipped only until thick and shiny, but not stiff. Turn into large serving dish or individual molds. Chill until firm. Serves 6 to 8.

May be served plain, with halves of sweetened orange sections, with blueberry sauce, or with canned crushed pineapple.

Defense Hair-Do

SHORTER HAIR-DO'S are being adopted by many girls doing civilian defense work. CBS actress Elizabeth ("Young Dr. Malone") Reller finds that this versatile Defense Cut designed by Josef of Mona Manet is correct with her AWVS uniform, yet lends itself to a soft arrangement for evenings of fun.

Carol Ann Zgraggen Christened Easter

Carol Ann Zgraggen, 7-weeks-old daughter of Mr. and Mrs. Joseph Zgraggen, 545 Hanover street, was christened, Easter Sunday at St. Michael's church. Father Burke officiated.

Godparents were the baby's aunt and uncle, Mr. and Mrs. James Jennings. Following the ceremony, the immediate family enjoyed a dinner party.

Colma Unit, AWVS, Trains Women Workers

With fine cooperation from the Red Cross, the Colma unit of the American Women's Voluntary Services is making strides toward the training of women workers to serve in the event of an emergency in this community and the vicinity.

Nutrition classes are now under way in Colma with a class of 26 students meeting on Tuesdays in the Colma Community Center. Classes are held from 1 p. m. to 3 p. m.

Producing excellent work in the sewing room of the Colma Community Center, the Red Cross Sewing workshop meets regularly on Thursdays from 1:30 p. m. to 4 p. m.

William John Sampino Christened At Trinity

William John Sampino, 8-months-old son of Mr. and Mrs. Ignatius Sampino, 32-A Flournoy street, was christened, March 29, at Trinity Methodist church, San Francisco. Godparents are William Sullivan and Mrs. Charles Aiello.

A reception was held, following the christening, at the home of the baby's grandparents, Mr. and Mrs. John Sampino, 67 Wilson street. Twenty people attended.

Something in This Name!

With the recent election of Charles E. Wilson as president of General Motors corporation, there are now three men with this name holding down key jobs in large American industries. The others: Charles E. Wilson, president of General Electric company, and Charles E. Wilson, vice president of Worthington Pump & Machinery corporation.

Extra Room in Back

Every American automobile manufacturer, with one exception, now makes his motorcars with more space between the rear wheels than the front wheels to provide for extra room in the back seat, reports Collier's.

Part of Language

Many registered trade-marks solely owned by a manufacturer, have been so widely applied to similar products that they have become a part of our language and are found in dictionaries. Among them are autogiro, cellophane, ethyl, mercurochrome, parcheesi, pyrex, teletype and zipper.

Famous Leaning Tree

The Grizzly Giant, an enormous sequoia tree in Yosemite National park, is known as the leaning tree. It is 209 feet high and leans 18 3-10 feet off center, or approximately 4 degrees and 58 minutes. Research shows that it has been off center for centuries, but is in no danger of falling.

No Baths in Between

In Japan, during police examinations, sometimes taking years, applicants are not permitted to take baths.

Gold Produced Here

Of the 371,165,000 fine ounces of gold produced in the world in 1938, only about 4,245,400 ounces came from continental United States.

Bobber for Night Fishing

John Schott of Scranton, Pa., has invented a bobber for night fishing, declares the American magazine. It flashes when a fish is hooked.
